

Flower Arranging for the Hobbyist

Want to learn how to create lovely arrangements for your home? Or, maybe you'd like to design that perfect centerpiece for your next party. Whatever your reason for wanting to learn the art of floral design, this is the perfect introductory course for you!

The purpose of **Flower Arranging for the Hobbyist** is to educate and give hands on experience for flower lovers like yourselves to uncover your hidden creativity in flower arranging. Throughout this course, you will learn about flowers and greens, proper care and handling, tools and techniques, and elements and principles of design. Each participant will get to make and take home three different types of floral arrangements.

The course will begin in October on Wednesday nights, the 6th, 13th, 20th, and 27th, from 7:00-9:00 PM. The total cost is \$85.00 (flowers and vases included) for the full course. If you are interested in participating in learning and having fun, please contact Wendy Parker by email wsparker16@gmail.com. Ten spots are currently available.
